

29th of Sept. 88.

Recd. Nov. 7, 1988.

Dear Sir:

How are you getting on? I am
keeping fine. Can you make me out?
I hope you wouldn't have forgotten
me.

I was doing my Internship in
Jaffna General Hospital and I was
one of the victims when the IPKF invaded
our hospital and killed 69 people
including a consultant - Dr. A. Sivapathasun-
dram (MRCP) and two other doctors.
I, fortunately, narrowly escaped.

Then I was in the wanted list.
I was under so much of pressure
then I resigned my job and came
to Switzerland on the 27th of Dec. 87
on the invitation of my two brothers
who were in Geneva.

After being there for 3 months
I came to England on the 27th of
Feb. 88. I wrote an article to the
'Tamil Voice International' as an
eyewitness. I read some of ~~my~~ your
articles which appeared on the Tamil
Times - wonderful. I got your
address from the Tamil Voice Inter-
national office. How are you?
How long are you going to be in
Japan? Are you get married?
