

It is almost 12 years since I know Mr. Aingaraw. Most of our connection was through emails and phone. The only topic of our conversation was Music, Film Music. He never bothered me with lengthy and unnecessary topics. He knew the value of my time.

In the past decade, whenever I was doing my concerts in US, he was at least present in couple of venues, taking pain all the way to fly from his home city.

The last time I met him was in Mr. Ilayaraja's concert (I forgot the place). He was with me most of the time back stage -

I am guilty of two things
which I could not fulfill when he
asked. Could not click a picture
of him with Ilayaraja on the
day of the concert and could not
get him some L.P records he
was asking for.
