

# MULTI-FAITH PRAYER SERVICE

Months of military assaults have left thousands of innocent civilians injured or killed, destroying the livelihoods of much of the Northern population of Sri Lanka. At the same time, hundreds of thousands have been traumatized and displaced by the violence, and are **WITHOUT SUFFICIENT FOOD, WATER OR SHELTER.** While we try to come to terms with a tragedy that continues to unfold, we invite you to join us for a solemn evening of reflection, where we will **PAY OUR RESPECTS** for the lives that have been lost, **AND PRAY** for those which hang in the balance, dependent on us as members of the international community, to act immediately.

Through our different faiths, we will engage with questions of how we can create a turning point in the humanitarian crisis, and help bring the aid desperately needed, to those who continue to suffer in the aftermath of the war. It is a crucial time to call on our allies across Canada, and around the world to ensure that the cries of the suffering civilians are not only heard, but answered immediately.
