His Excellency The President,
Democratic Socialist Republic of Sri Lanka
Presidential Secretariat,
Colombo.

Your Excellency the President,
Release of Lands occupied by the Armed Forces.

This has your honour's reference on the above subject.

Sir, we are surprised and disappointed to note the statement made by you that, 80% of the land belong to the residents of North, occupied by the Forces had been released. In this context I very humbly wish to inform you that, the Forces are still occupying the undermentioned residential and the Agriculture Lands in Northern Province, which have to be released. Owing to this, several people have lost their livelihood. Further, the Forces have built luxury hotels in certain lands in Northern Province.

Hence, I shall be very much thankful and obliged, if your honour would please take necessary steps to release these lands. Enabling the residents of these lands to lead a peaceful life. For which kind of act I will be thankful to you please.
